*To His Honour the Lieutenant-Governor in Council:*

The undersigned has the honour to report that it is deemed advisable to revoke and cancel Order in Council No. 487, approved on the 6th day of March, 1954, and to recommend that an Order be made as set out hereafter:

That under the "Strathcona Park Act," being chapter 49 of the Statutes of British Columbia, 1911, and amendments thereto, a report and recommendation of British Columbia Power Commission (hereinafter referred to as "the Commission"), dated the 27th day of July, 1955, has been received recommending that it be author-

ized to raise the water-level of portions of Buttle Lake and Elk River and to use for storage purposes portions of Buttle Lake, Elk River, and Elk River valley lying within the limits of Strathcona Park:

And that the Commission is a licensee under the "Water Act" on Campbell River, its licences being appurtenant to its undertaking known as the Campbell River Development:

And that it is deemed necessary for the carrying-on of the said Development that such authority be granted:

And that it is deemed advisable to grant such authority:

1. To exercise its rights under Conditional Water Licence No. 22581 subject to the following additional provisions, such provisions to be deemed included in the conditions of the said licence:—

- (a) The Commission will be responsible for disposing of blow-downs of timber along the edges of the cleared area for a period of ten years following the clearing as directed by the Minister of Lands and Forests:
- (b) The Comptroller of Water Rights will consult with the Minister, and vice versa, in all matters affecting each other's interests:

- (g) There shall be provided by the Commission a boat-landing space which must be adequate for launching and pulling out small boats safely. It must be kept clear of logs and driftwood at all times to the satisfaction of the Comptroller and the Minister:

And to recommend further that the Commission be authorized in accordance with the provisions of the "Strathcona Park Act":—

#### "PETROLEUM AND NATURAL GAS ACT, 1954"

HIS HONOUR the Administrator in Council has been pleased to order, by Order in Council No. 1606, approved on the 25th day of June, 1955, that since permits issued under the old "Petroleum and Natural Gas Act" are of all shapes and sizes, and when such permits revert to the Crown the irregular boundaries between Crown reserves and petroleum and natural gas open to acquisition under the Act prevent the disposal of the Crown reserves and the open petroleum and natural-gas rights in the best interests of the Province:

Therefore, pursuant to the provisions of section 82 (2) (f) of the "Petroleum and Natural Gas Act, 1954," chapter 31 of the Statutes of 1954, as amended by chapter 59 of the Statutes of 1955, the Chief Petroleum and Natural Gas Commissioner redefine the boundaries between the Crown reserves and open petroleum and natural-gas rights to fit into the grid and zone system, provided for in the "Petroleum and Natural Gas Act, 1954," without reducing the total area of the Crown reserves and with the minimum amount of adjustment in the case of each boundary.
